

## Follow these instructions on how to change password:

1. Go to the emsoc home page <http://www.emsoc.net>

- About us
- Organizational Structure
- Notices and Information
- EMSOC Newsletter
- Medicare Compliance
- Privacy Notice
- Call Back Submission Form
- EMSOC Webmail Page

Welcome

EMSOC began Emergency Medicine Clinical Care operations in July 1976, providing Emergency Medicine care for the patients of Saint Joseph Hospital and Children's Hospital of Orange County.

For More Information about the Scribe Program, visit ScribeMD.com at [www.scribemd.com](http://www.scribemd.com) or click on the ScribeMD Logo below.

2. At the bottom left hand side of the home page click on the EMSOC Webmail Page link

- EMSOC Webmail Page
